## LLP363 checklist

Companies House  
— for the record —

# get it right first time

We have written this guidance to help you correctly complete your annual return (Form LLP363). Simply follow the guidelines on pages 2 and 3 and then use the checklist below as a final check.

An annual return is a snapshot of general information about the LLP at a made-up date. A made-up date is the date at which all the information in an annual return must be correct. The made-up date is usually the anniversary of the incorporation of the LLP.

All LLP's must deliver an annual return to Companies House every year and it is separate from a LLP's annual accounts.

## the form

-  **Use the correct form, LLP363**  
Have you used the correct form prescribed by Companies House? All LLP forms are available to download from our web site.
-  **LLP name and number (1-2)**  
These details must be the same as they are shown on your certificate of incorporation or, if applicable, certificate of change of name - if unsure you can confirm these details on our web site.
-  **Return Date (3)**  
Have you entered the correct made-up date for the annual return?
-  **Date of next return (4)**  
If you wish to change the date of the next return to an earlier date, have you indicated this in the appropriate box on the form?
-  **Registered office (5)**  
This must be the full address that is already held on Companies House records. If it has changed, you should complete a Form LLP287 and submit it with your Form LLP363.
-  **Register of debentures (6)**  
If the register of debentures or part of it is kept outside of the registered office, you must notify us of this. You should use Form LLP190 and submit it with the Form LLP363.
-  **Certification Box (7)**  
Has a designated member signed and dated the certification box on the front of the form?
-  **Continuation sheets (8)**  
If you have included continuation sheets, please show how many in the box provided.
-  **Member's details (9-12)**  
Have you listed the details of all the LLP members? Remember to include the full name, residential address and date of birth for individuals. For corporate members, the full name and postal address must be completed. Remember to indicate if the member is designated or non-designated.
-  **Member's reference numbers, MRN's (13)**  
Each member of an LLP will have been issued with a 'Member's Reference Number' or 'MRN' which is unique to their individual details. If you know this number, please complete the box for each member.
-  **Confidentiality Order (14)**  
Only tick this box if you have been granted a confidentiality order. If you have any queries you can contact the administrator on 0845 303 2400.

## general checks

-  **Clear completion**  
When you complete our forms or send us any documents, please remember that we will electronically scan them. This is why we prefer you to complete the forms in black type. If this is not possible, use bold handwriting in block capitals. The full requirements are set out in chapter 1, section 1.2 of our guidance booklet GBLLP2.
-  **Fee**  
Have you included the filing fee of £35.00? Cheques should be made payable to 'Companies House'.
-  **Copies**  
Have you taken a copy of the completed document? We retain all original documents sent to us.
-  **Where and when to send your completed form**  
You must deliver your annual return (Form LLP363) to Companies House (marked for the attention of the LLP team) within 28 days of the made-up date given on the form. You can post or hand deliver your form to any of our offices - see our web site for details.
-  **Remember**  
You cannot use the LLP363 to change any of the partnership details. You must use the relevant forms for changes concerning members, registered office etc. These forms are all available to down load from our web site.

Please refer to the following diagrams for helpful guidance on how to complete the form quickly and correctly.

Alternatively call our LLP team between 9.00am and 5.00pm on 029 2038 0744.

1 Remember all LLP numbers start with the prefix 'OC3' for England and Wales, and 'SO3' for Scotland
